

SYMPOSIUM & DISSECTION COURSE on Temporal Bone Malignancies of the Parotid Gland and En-Bloc Temporo-Parotid Resections

21st-22nd September 2026

Palazzo Trecchi
Via Sigismondo Trecchi n°20
26100 Cremona (CR) Italy

Focus on

This dissection course is focused on the temporo-parotid resection, a comprehensive en-bloc resection of the parotid and temporal bone, indicated in advanced cases of parotid and periauricular malignancies. The **symposium** "Temporal Bone Resections in Advanced Malignancies of the Parotid Gland", held on the morning of the 17th, will explore the rationale and indications of the procedure (refer to the event brochure). This **dissection course** will follow the symposium and will demonstrate the surgical procedure through a fresh-frozen head dissection, with continuous guidance from the faculty throughout both the head and neck and skull base surgical steps. This approach involves a combination of head&neck, otologic and skull base surgical skills.

It is possible to register for and attend the Symposium only, or the Symposium and the wet lab (20 participants targeting those with substantial experience in head and neck surgery and in the otologic and skull base domains), or to purchase the Symposium fee plus observer access to the wet lab (up to a maximum of 10 places). The fees are listed below.

Course Directors

M. Benazzo
P. Nicolai

Scientific Directors

E. Zanoletti
P. Canzi

Faculty

M. Benazzo (PV)
P. Canzi (PV)
M. Krengli (PD)
L. Locati (PV)
R. Maroldi (BS)
A. Mazzoni (PD)
N. Montalto (PD)
P. Morbini (GE)
P. Nicolai (PD)
E. Orlandi (PV)
G. Ramacciotti (PD)
E. Zanoletti (PD)

Guest Speaker

B. Panizza, M. Schachtel
(University of Queensland
Brisbane, Australia)

Scientific Secretariat

E. Carlotto (PV)
S. Concheri (PD)
P. Gaudio (PD)
D. Minervini (PV)
F. Rigoni (PV)

Segreteria Organizzativa:

E.V. Soc. Cons. a r.l. – Provider ID n.53
Via S.Trecchi, 20 – 26100 Cremona – P.I. 01032200196

Participation fees:

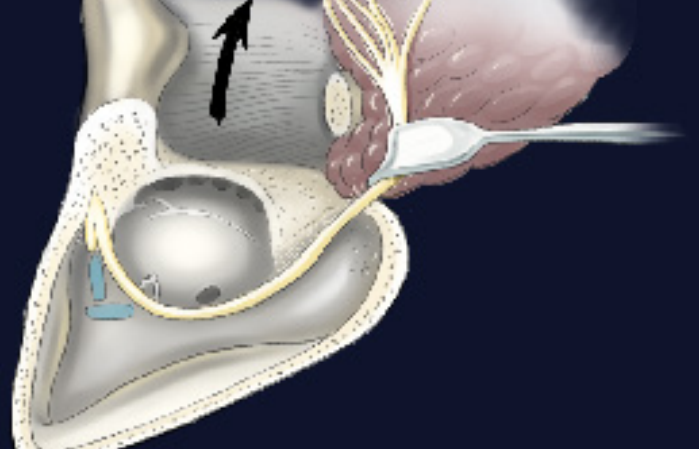

Participation fee for Symposium:
€ 100,00 VAT included

Participation fee for Symposium and Wet-Lab:
€ 1342,00 VAT included

Participation fee for Symposium and Observer:
€ 305, 00 VAT included

SYMPOSIUM AND DISSECTION COURSE

DAY BY DAY

Symposium

Temporal bone resections in advanced malignancies of the parotid gland

9:00 AM - 03:00 PM on September 21st, 2026 - Open to 100 participants

Syllabus

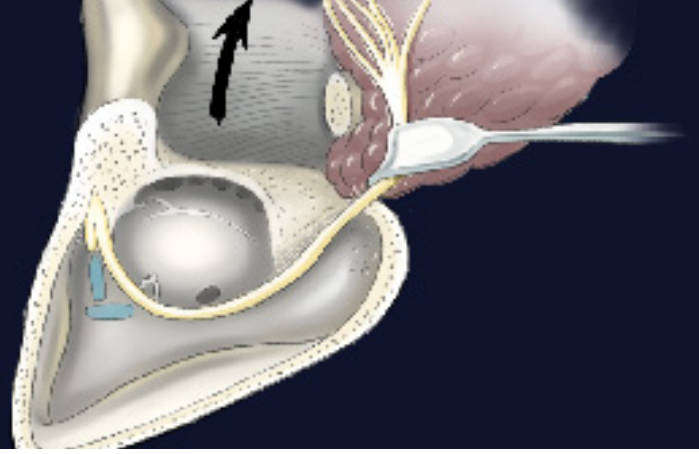

- Introduction to the principles of oncological skull base surgery (A. Mazzoni)
- Radiology of advanced parotid malignancies (R. Maroldi)
- Pathological issues in the preoperative diagnosis (P. Canzi, P. Morbini)
- Principles of surgery in advanced parotid malignancies (P. Nicolai)
- Management of the neck (M. Benazzo)
- Rationale and surgical technique of temporo-parotid en-bloc resections (E. Zanoletti)
- Reconstruction of the surgical defect (G. Ramacciotti, N. Montalto)
- Processing and interpretation of en-bloc procedure specimens (P. Morbini)
- Integrated therapies: the role of radiotherapy (M. Krengli, E. Orlandi)
- Integrated therapies: the role of medical therapy (L. Locati)

Key Note Lecture

- Management of perineural spread across the skull base (B. Panizza, M. Schachtel)

SYMPOSIUM AND DISSECTION COURSE

DAY BY DAY

Dissection Course

En-bloc temporo-parotid resections

3:30 PM - 6:30 PM on September 21st, 2026

08:00 AM - 16:00 PM on September 22nd 2026

Step by step dissection of the key surgical steps

- Cervical dissection steps
- Parapharyngeal dissection steps
- En- bloc temporo-parotid resection
- Extension to mandibular condyle and mandibular ramus
- Extension of en-bloc temporo-parotid resection with craniotomies

Each of the 10 dissection stations in the course will preferably pair two participants: one more familiar with head and neck surgery and the other with otologic and otoneurological surgery. Participants will be guided in applying the rationale and executing the procedures through constant tutoring.
